Annual Certification Filing - 2008

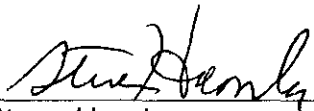

This is to certify that **Unicom, Inc.** will use its federal high cost support only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.

Unicom, Inc. is a wireless carrier operating in Alaska. Pursuant to the Regulatory Commission of Alaska's (RCA) Docket U-07-083, the RCA will no longer be certifying the high cost support of wireless carriers. Therefore, Unicom, Inc. is filing this self certification on its own behalf.

I am authorized to make this certification on behalf of the company named above. This certification is for the study area listed below.
